## CHESHIRE EAST COUNCIL - SUTTON AND LANGLEY WARD

Green Party Candidate 

#GetGreensElected

**Laura Jones** has lived in Langley for 10 years after moving to be close to her daughter and family. She has worked in local government and as a mental health practitioner. She loves walking in the forest and the hills and cycles regularly. Now semi-retired, she is keen to put energy into supporting the local community and fighting to preserve our countryside.

## Laura believes in:

- Working for a fairer, more sustainable economy that benefits everyone. Creating jobs through a green transition
- Investing in and supporting local communities, promoting sustainable farming and local businesses - building from the ground up
- Listening to local residents and working hard to solve the issues they raise
- Working for the protection and good management of Macclesfield Forest the countryside and the green belt. No development on Danes Moss!
- Help with future proofing our homes. New housing to be sustainable, affordable and prioritise local needs. Making use of brownfield and smaller sites first.
- Tackling water pollution - pressing for legislation to clean up our rivers and waterways. Acting to prevent fly-tipping and other damage to the environment
- Generating greater urgency in Cheshire East to tackle the climate crisis and nature emergency by restoring bio-diversity (see BBC Wild isles!)
- Improving public transport, protecting bus services and promoting active travel
- Responding to the mental health crisis facing young people and supporting the wellbeing, health and dignity of all
- Changing our voting system so that all votes count
- Demanding honesty and integrity in public life
